VEHICLE ACCESS INFORMATION (Dwelling Live®)

Dwelling Live is an online vehicle and guest access control system used by the Estuary. By supplying the following additional information, our security staff will be able to set up your online account. Transponders may be purchased for each of your vehicles which will allow automated access at our south and north gates. Once you logon on for the first time you will be able to complete your profile and register your guests to speed up entry to the community.

COMMUNICATIONS INFORMATION

EMAIL PERMISSION:

The Communications Committee frequently sends out community notices via email. These notices have proven to be the most cost effective and most timely way to communicate with Estuary homeowners. These notices include notices of special meetings and board meetings agendas, pending changes in rules and regulations, and notices of special assessments. Also included is our community newsletter and important community announcements pertaining to pending storms, landscaping schedules, social committee news and other urgent announcements. Owners no longer wishing to receive these communications have the option of cancelling at any time.

YES, I agree to have Association emails sent to my email address

NO, I do not want Association emails sent to my email address

DIRECTORY PERMISSION:

The Communications Committee updates the Community Directory annually and makes it available online on our website. The directory is only available to those homeowners who have registered and have a username and password. It is not available to anyone else. The directory can be used as a handy reference to contact your friends and neighbors and keep in touch throughout the year. The directory can also be printed directly from the website on home printers.

YES, I agree to have the above information included in the Community Directory.

NO, I do not want the above information included in the Community Directory.
