Irrigation Inspection/ Letter of Intent

- Any project that requires digging of any kind into the ground must have our irrigation vendor Xtreme Landscaping, inspect as part of the ACC application process.

This form is to be completed before ALC will make any decision for approval.

Homeowner is responsible to contact Xtreme Landscaping Irrigation Manager Terry Campbell- (between 7am-330pm Mon-Fri) at tcampbell@xtremelandscaping.com to request an inspection of their property.

Inspection of irrigation pipes to be re-routed or capped off due to new plantings, pool construction, patio and driveway expansions, or any other digging, unearthing of the grounds.

This section below is to be completed by Xtreme Landscaping.

Said area does not need re-route or cap off irrigation pipes.

Said area needs re-route or capping of irrigation pipes.

Proposal provided.

Terry Campbell- Xtreme Irrigation Manager
